

PUBLIC NOTICE

Notice is hereby given that EDF Renewable Developments, Inc. has filed an Application with Kossuth County to build a commercial windfarm to be located in Hebron Township Sections 12, 13, 24-27, 34-36; Lincoln Township Sections 1-15, 19-23, and 25-36; and German Township Sections 1-4 and 6. The windfarm is projected to have 60 individual turbines that will be 460 to 499 feet high and each generate 2300 - 2500, kw of electricity. The Application is currently being reviewed by the County. There will be a separate notice of the public hearing on the project.
