## Water's Edge Nature Center

### Foundation History:

The Kossuth County Nature Center Foundation was organized in July of 2002 with the goal of building a nature center in five or six years. The generous support of county residents realized the dream with the construction of the Water's Edge Nature Center. The foundation will continue to support the Nature Center through donations, memberships and income from public events. The KCNCF became known as the Water's Edge Nature Center Foundation early in 2008.

### Our Mission:

The Foundation is a non-profit citizens group that exists to construct, support and endow the Water's Edge Nature Center.

### Membership Benefits:

- Quarterly newsletter
- Special members-only events
- Discounts on public program fees
- Discounts on gift items (when available)
- Other benefits as programs and events are added

### Volunteers Needed!

Volunteers are vital to the operation of the Water's Edge Nature Center. Your time, talents and labor will help make the Nature Center the dynamic site of quality education and recreation. How can you help? Check below your desired areas of volunteer service.

- Weekend or evening host/hostess
- Assist with fundraising activities
- Assist with newsletter and mailings
- Assist naturalist with school and public programs
- Work in landscaped areas around center

What do you get out of volunteering? Meet new people! Give back to the community! Share your love of nature with others! You may learn new skills and more about nature and the environment!

YES! I want to be a member of the Foundation.
